Taxpayer Impact Statement

Additions to Texas Government Code section 551.043, effective on September 1, 2025, require a taxpayer impact statement showing, for the median-valued homestead property in each governmental body, a comparison of the property tax bill in dollars pertaining to the property for the current fiscal year to an estimate of the property tax bill in dollars for the same property for the upcoming fiscal year if the proposed budget is adopted. Since the District does not adopt a tax rate and does not impose property taxes, adoption of the District's budget would have no direct impact on a taxpayer property tax bill in the District.

Estimated Annual Impact of the Falls CAD Budget for Homestead Properties

Budget Year	2025	2026
Median Market Value of Homestead Property	\$143,700	\$143,735
Median Taxable Value of Homestead Property	\$117,220	\$116,603
Value of property taxes levied by The Appraisal District for the median value of a homestead property	\$0.00	\$0.00
